

Department of Cell Biology Research Forum

Nagi G. Ayad, PhD

*Associate Professor, Psychiatry and Behavioral Sciences
University of Miami Miller School of Medicine*

“A Cell Biological View of Brain Cancer”

“Dr. Ayad will discuss work in his laboratory to elucidate the molecular underpinnings of glioblastoma and medulloblastoma progression. The epigenetic and kinase pathways that control brain tumor progression are still being discovered. Understanding these pathways will allow us to devise combination therapies for incurable brain cancers.”

Tuesday, February 26, 2019
12:00p-1:00p
Rosenstiel Medical Science Building
4th Floor Auditorium

Mailing address: Department of Cell Biology
P.O. Box 016960 (R-124), Miami, FL 33101
Phone: 305.243.1265 | Fax: 305.243.7020
Location: Rosenstiel Medical Science Building
1600 NW 10th Ave., Room 4017, Miami, FL 33136
